

# Gunfighter

Hair

POWER

and

power

guns -

batter and batter and POKE

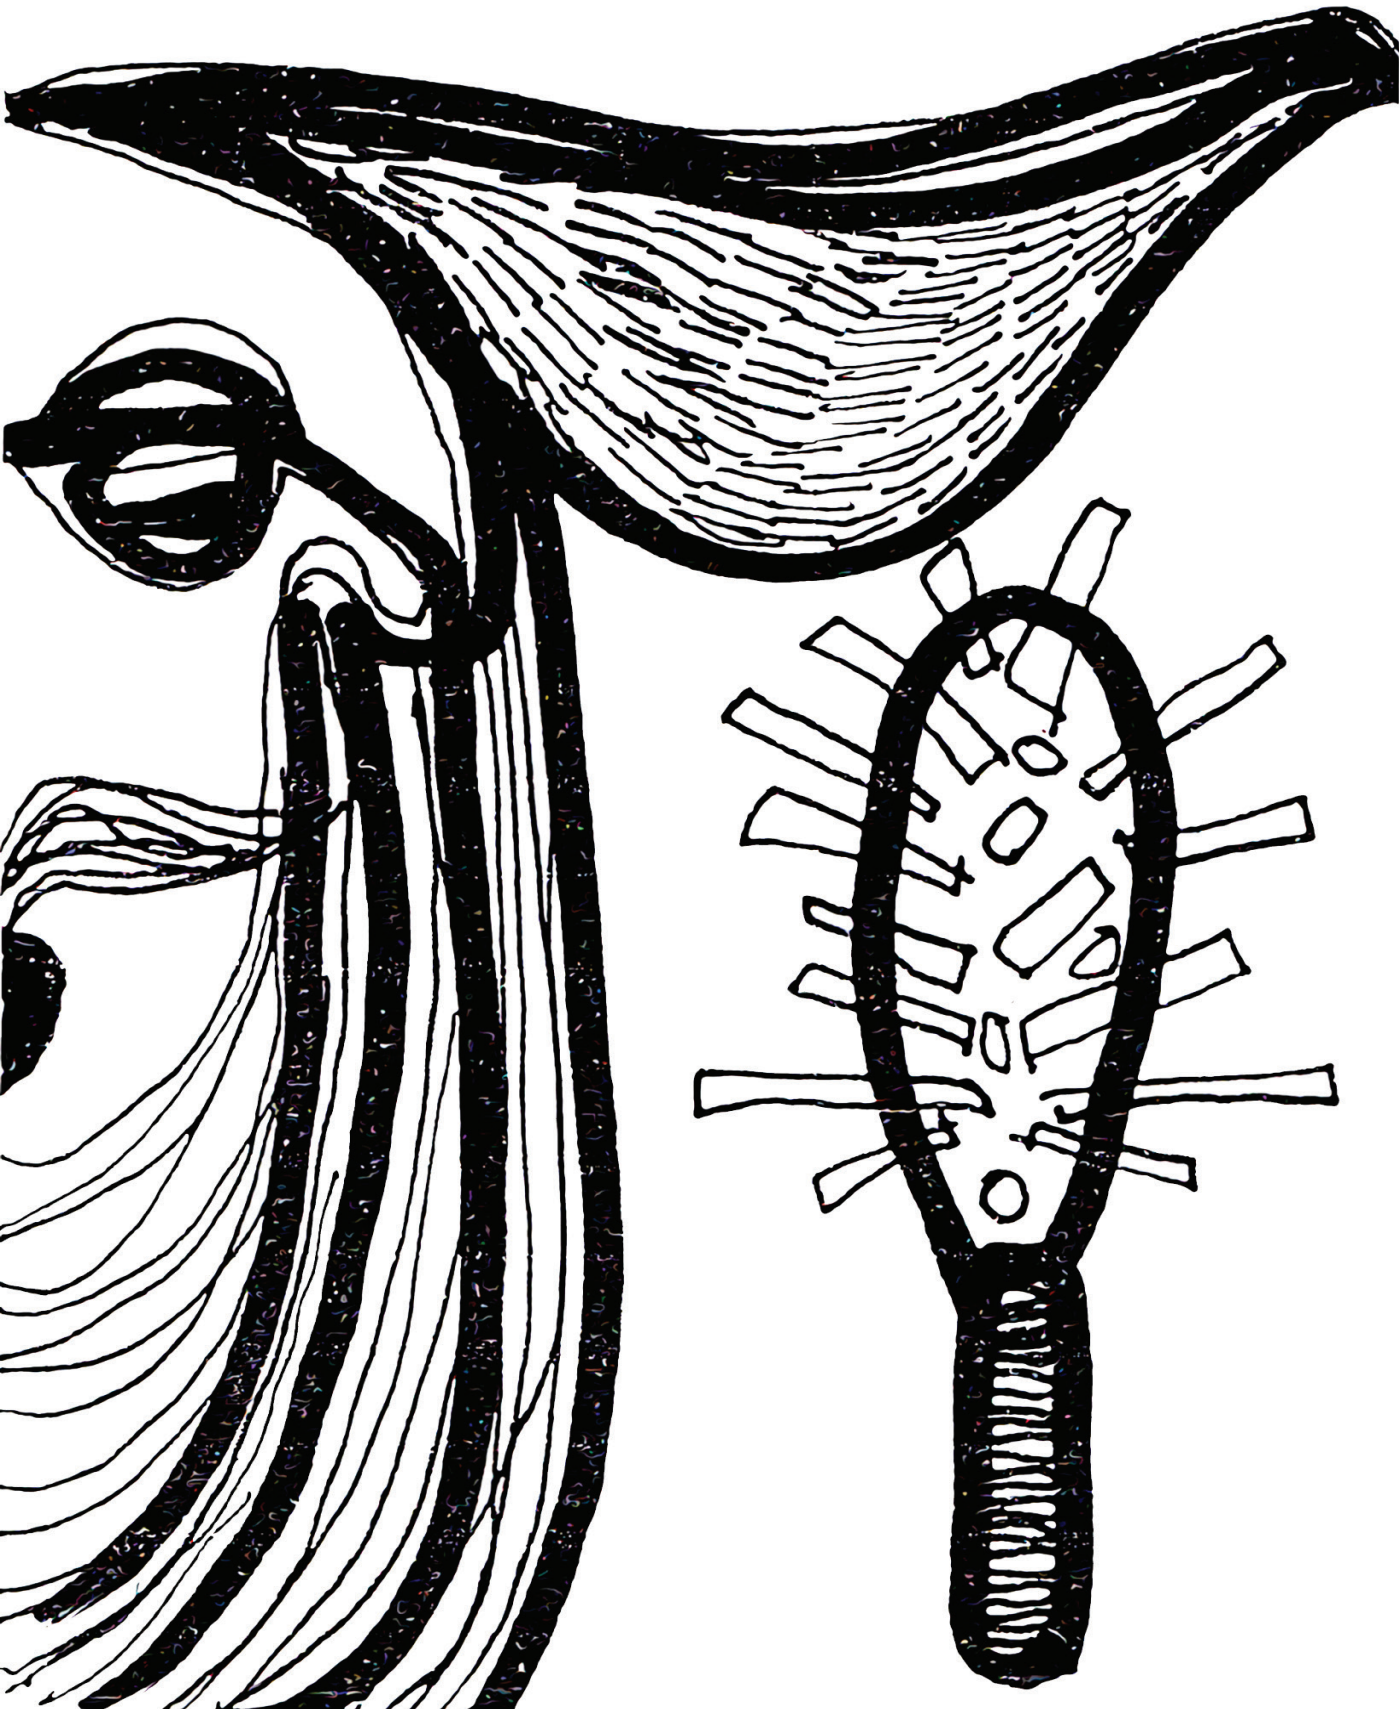

DO **not** pull - No more

*It* HURTS me

hurts

Hold it

- make

IT

become

another

weapon

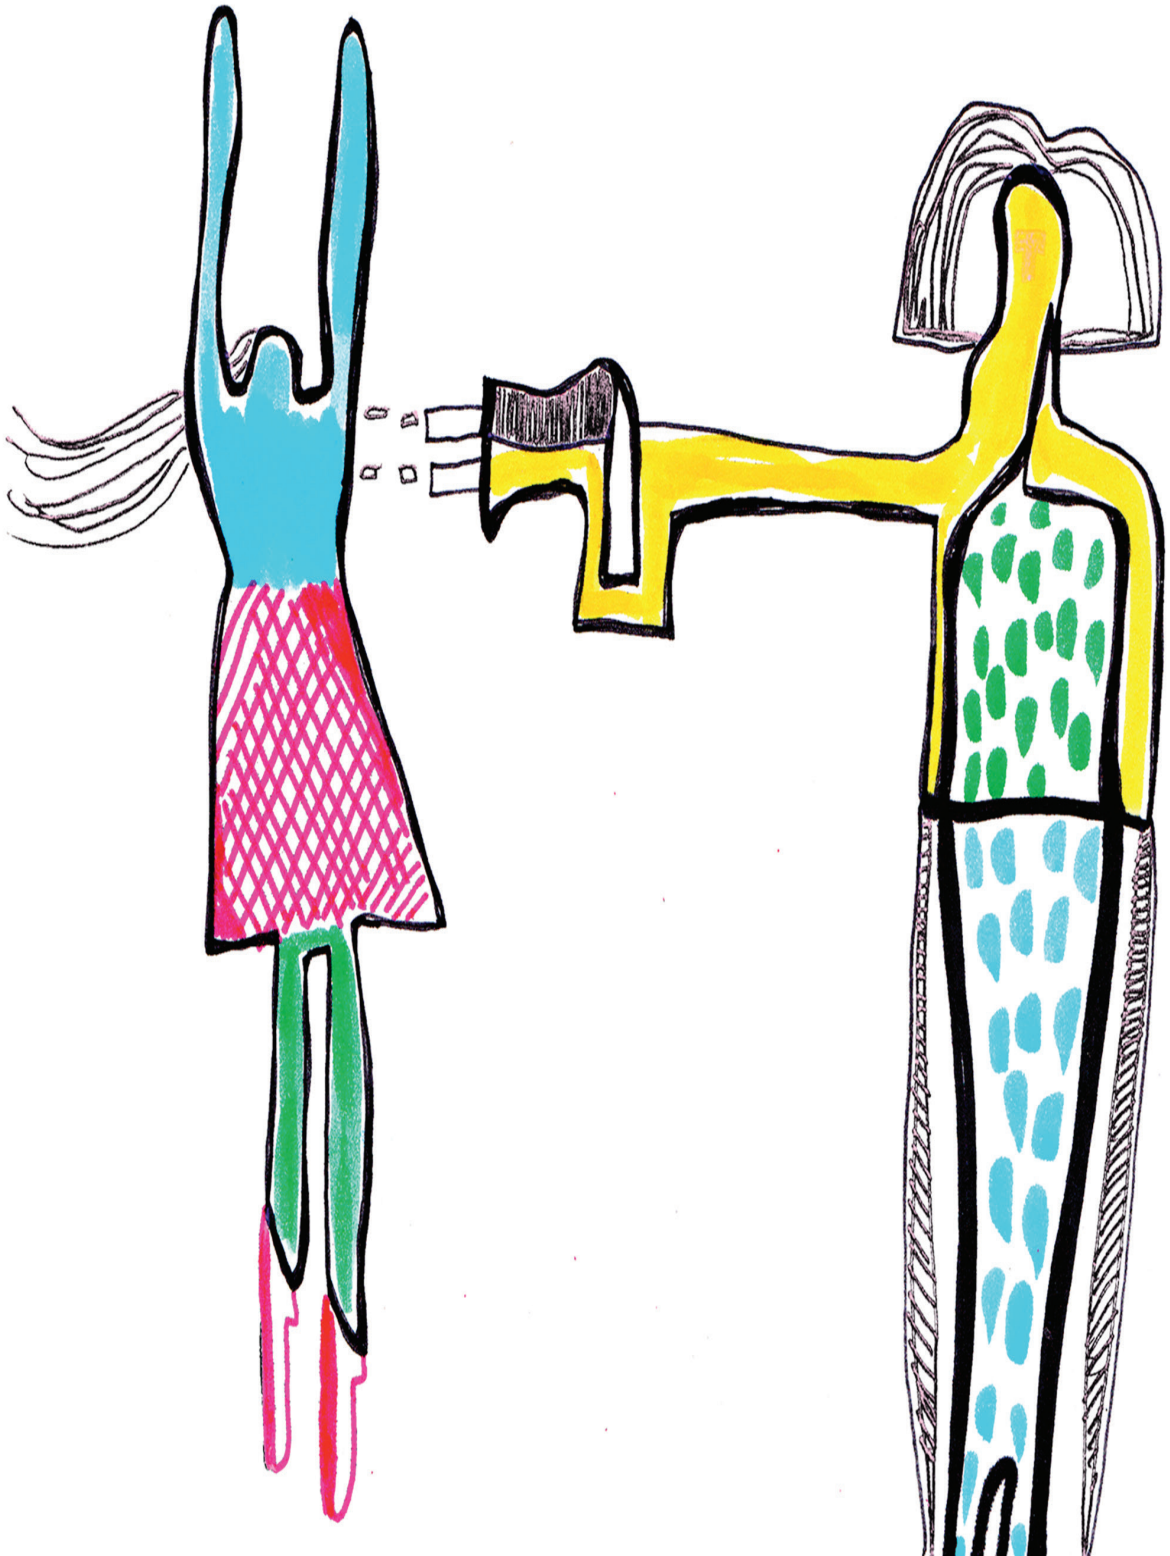

I'm a gunfighter

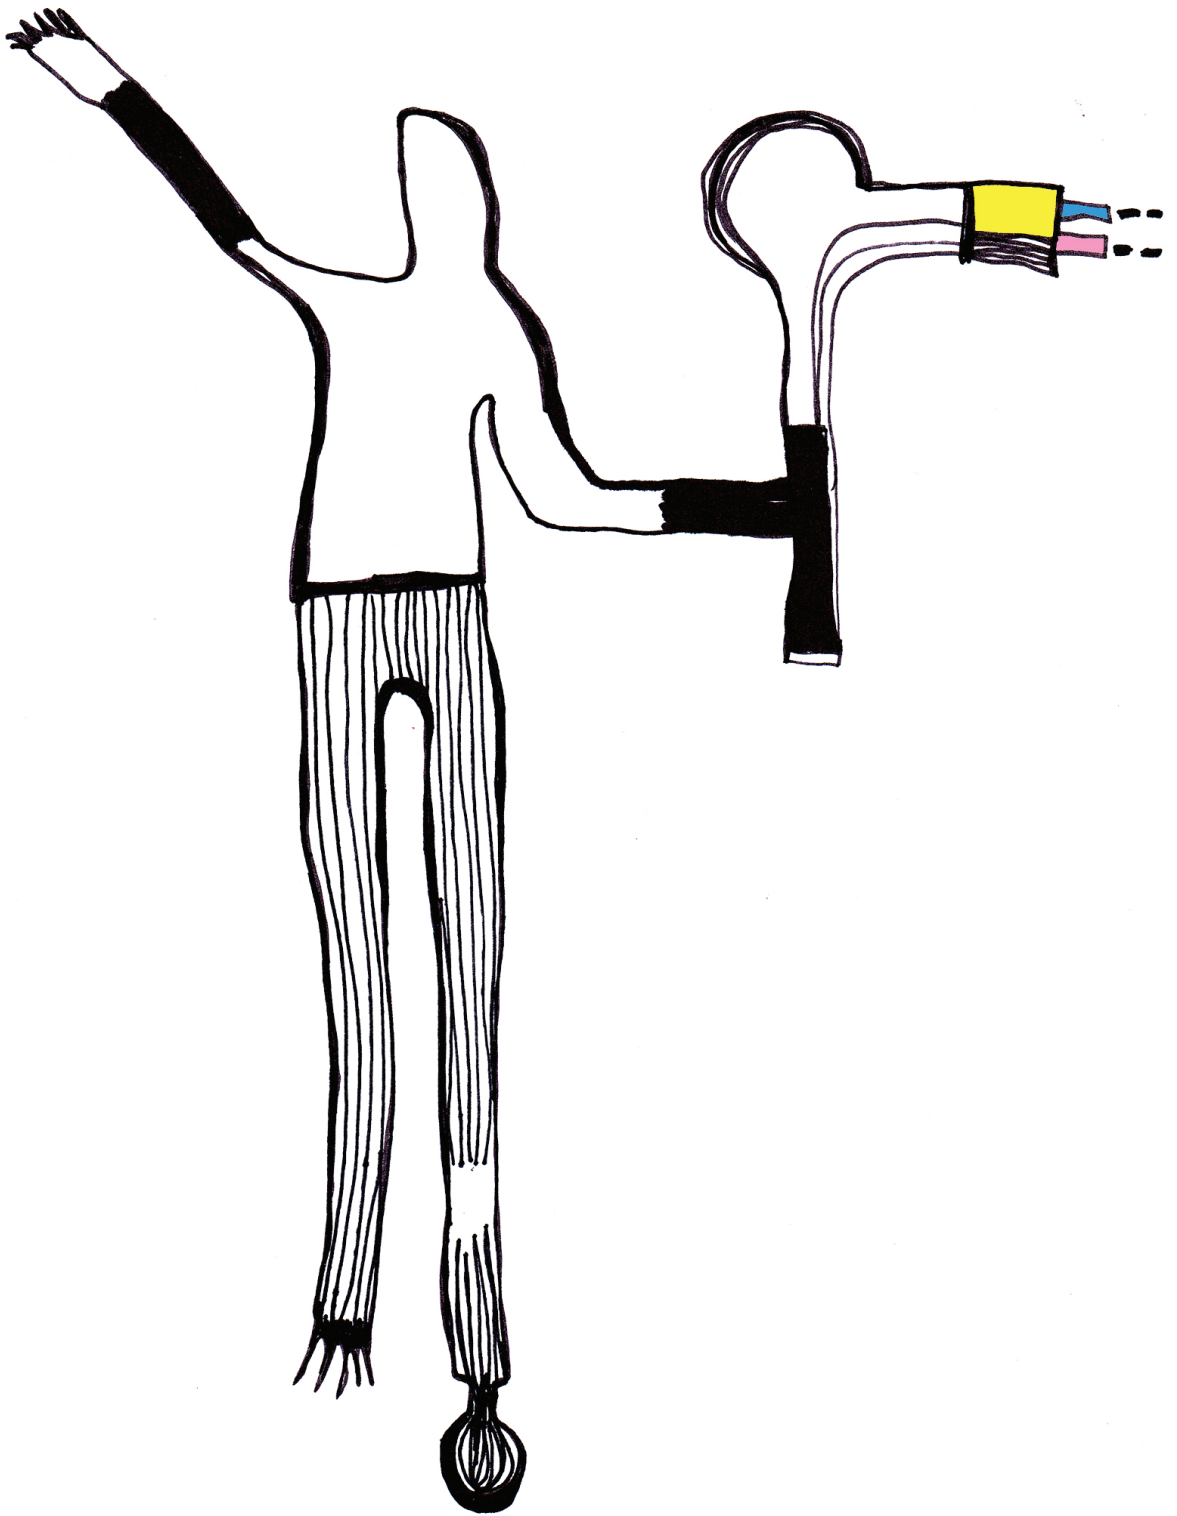

firing

and

spikes

**ARROWS**

---

Shoot

---

SHOUTING

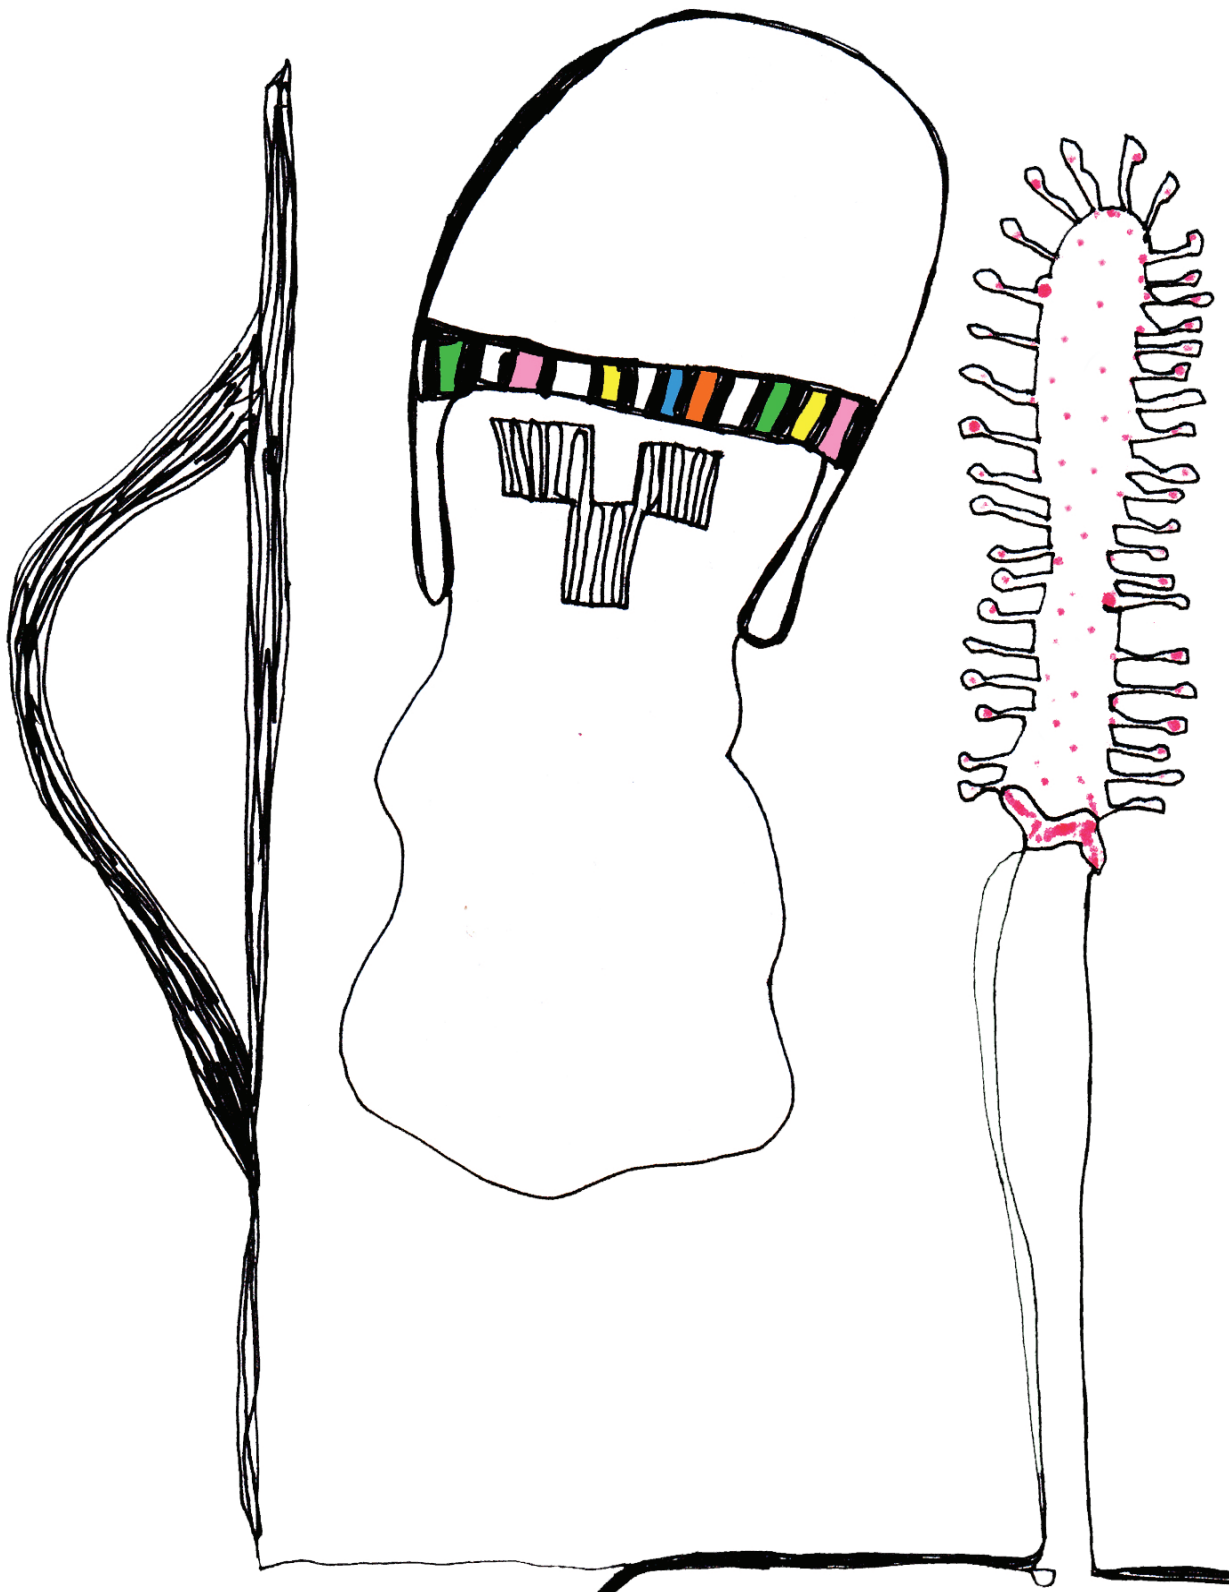

---

transform the

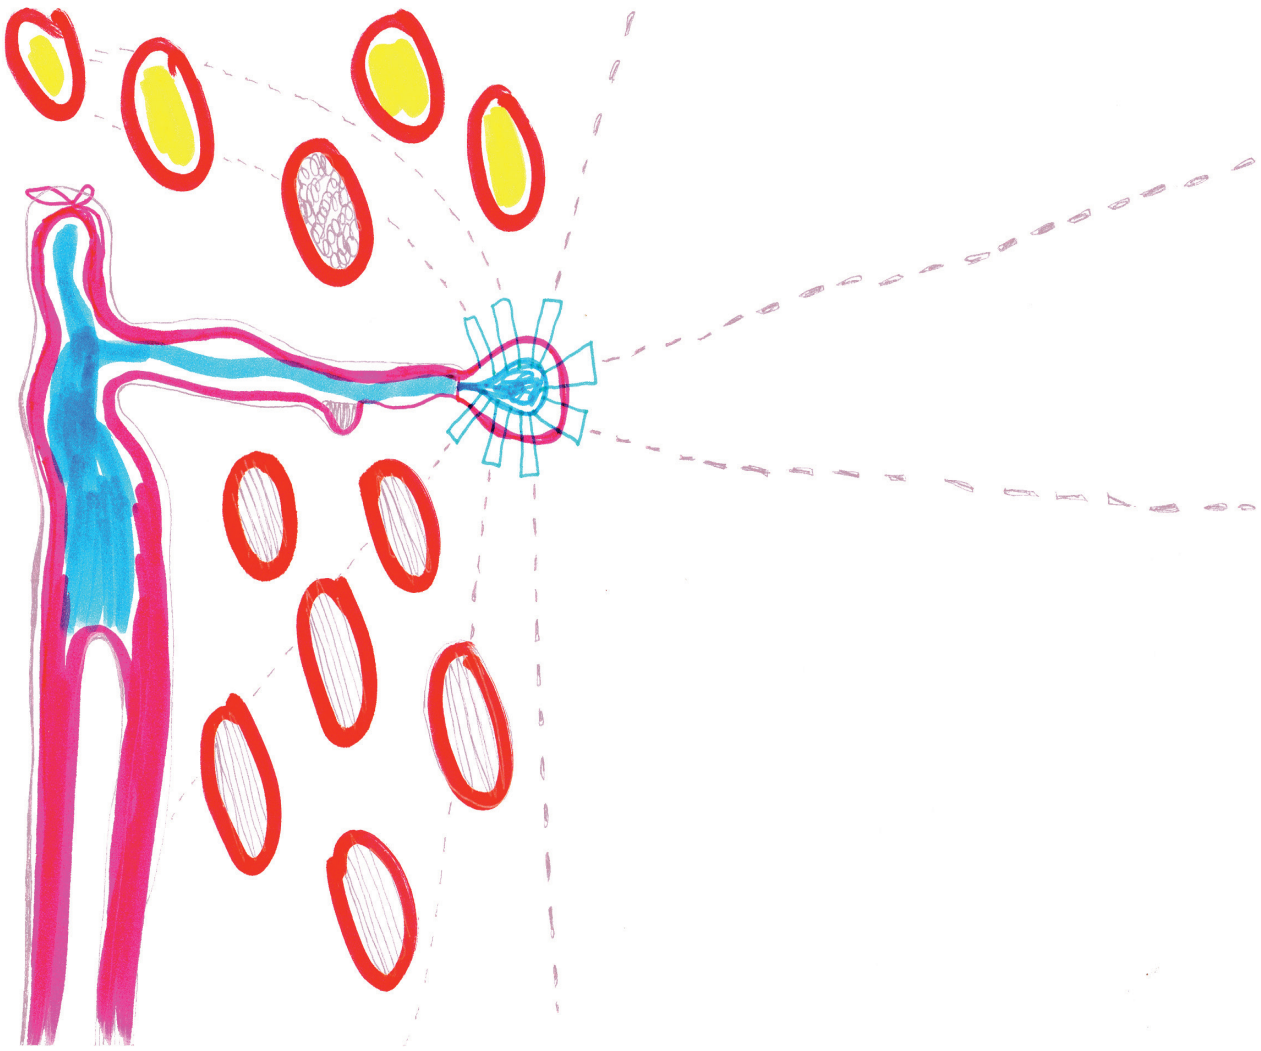

---

**hairdryer**

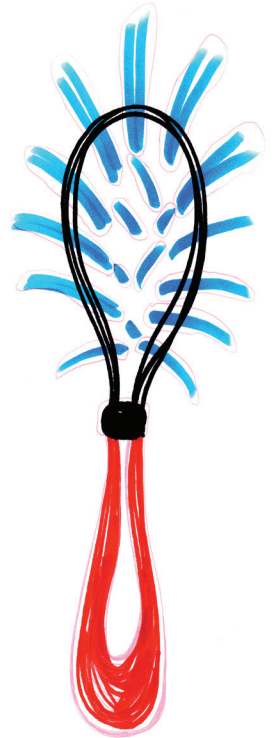

with a sensitive cut

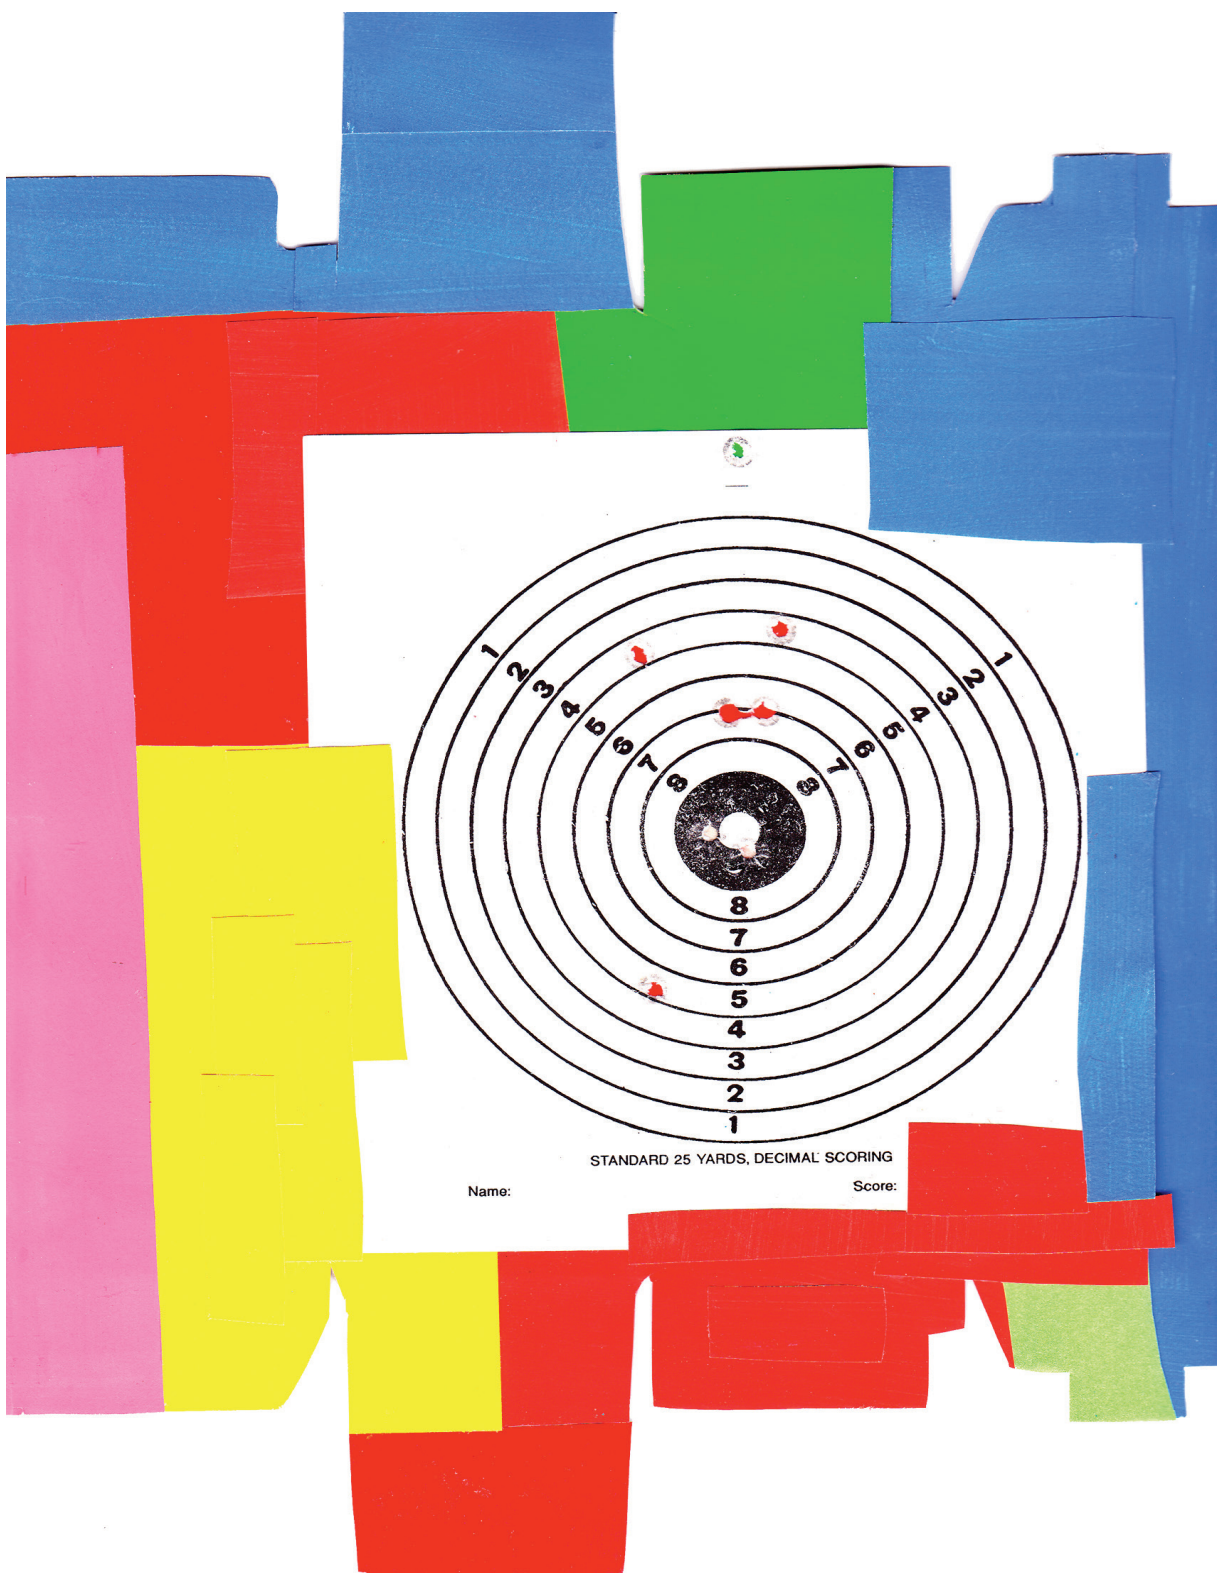

Noise and action

become a hoover

and a hairbrush

**Fire!** - I drew a target

**which** was **golden** **YELLOW**

Guins swoop hot in dreams

with sleepy flower drawings in rolling colour

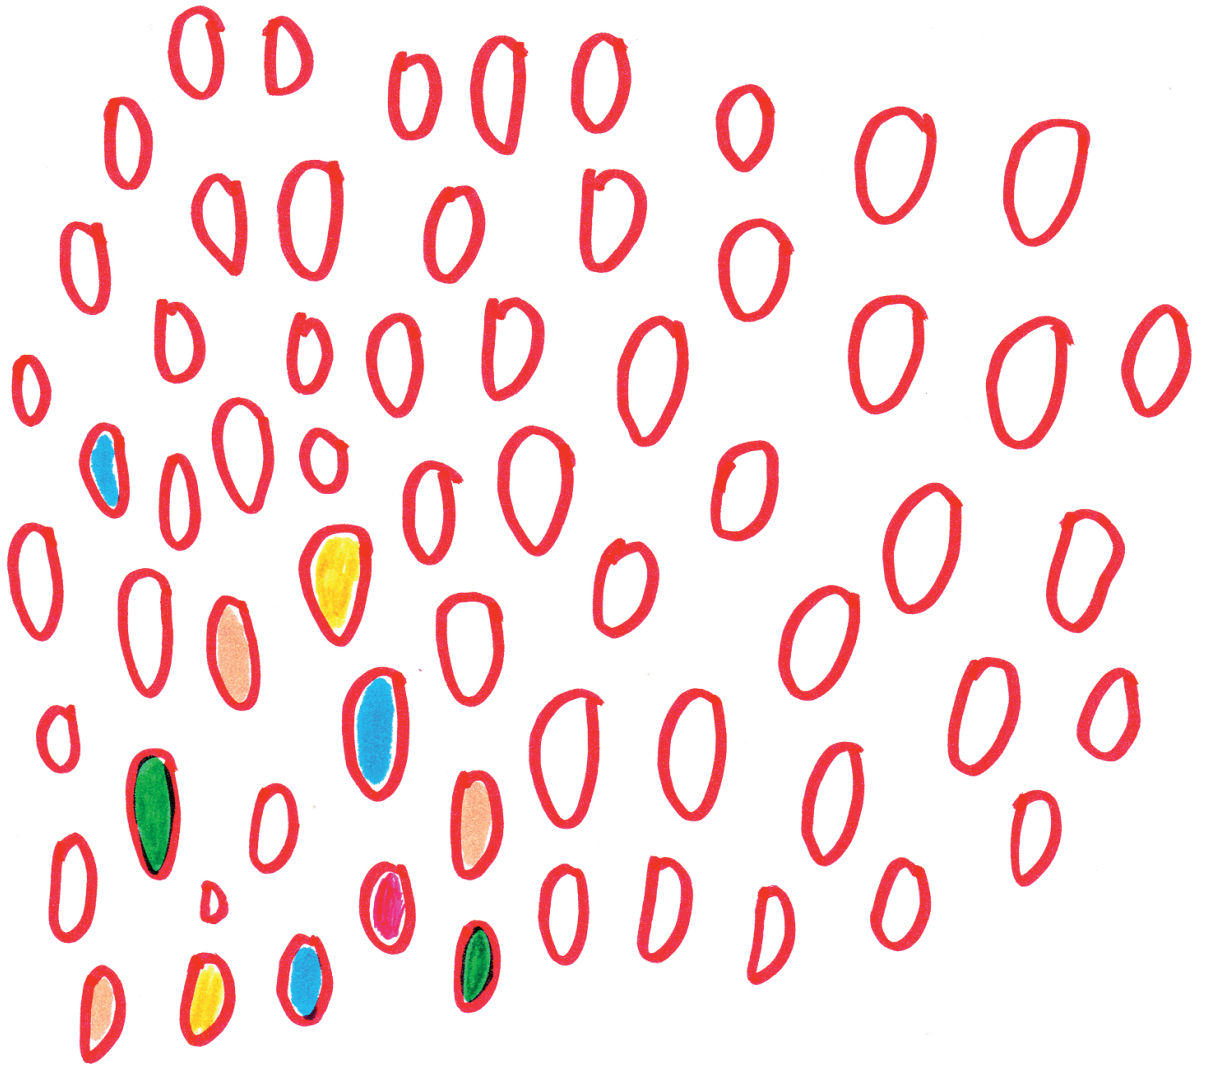

and strands and tangles

CREATE the props and stage  
of THE story inside

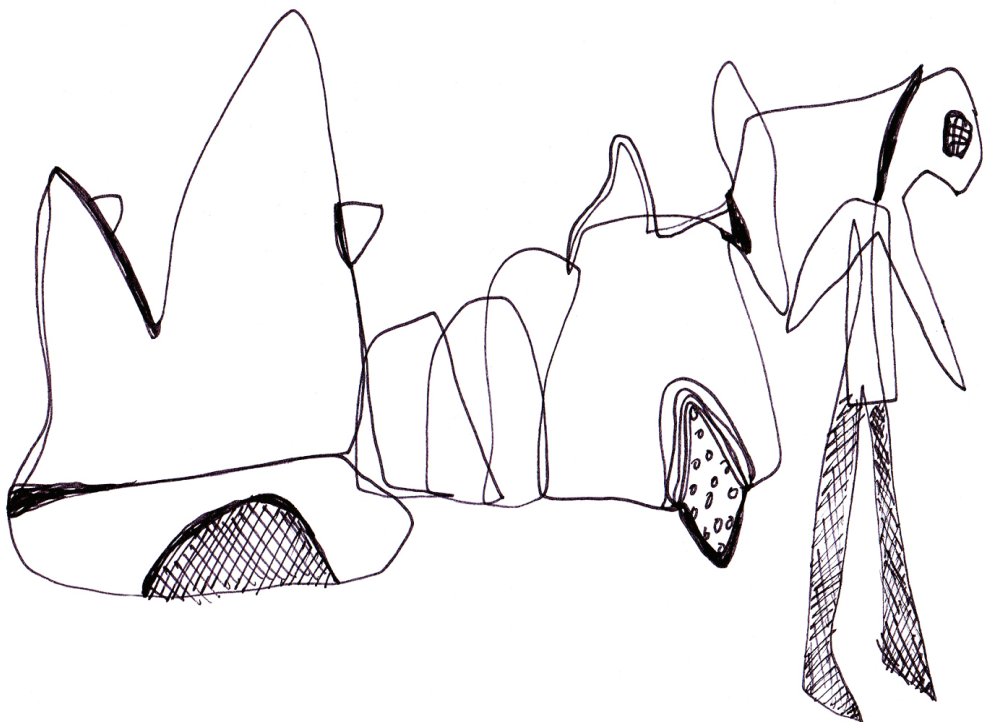

and make **the THING**

**become THE FACT.**

**'Gunfighter'** is a cut-UP poem by
